

# JESUS HEALS THE CENTURION'S SERVANT

Family Devotional  
Lent Week 2

## CHAT ABOUT...

Talk about a time when you trusted someone and believed they would do what they said they would do. What was that like?

## FIND OUT ABOUT...

For families with younger children, read 'The Centurion's Servant' in the Spark Bible on p. 290. For families with older children, read Luke 7:1-10 from the Good News Bible, or Today's English Version.

I wonder...

- Given the fact that the Centurion wasn't a Jewish person, I wonder why the Centurion believed Jesus could heal his servant?
- I wonder what the Centurion was thinking when he was told his servant would be healed?

## DO SOMETHING ABOUT...

Take your kids on a trust walk to another room in your home. Get them to close their eyes/blindfold them and walk them to a new space by holding their hand and directing them with your voice. When you get to the other room, ask how they felt when they had to trust you. Switch places and have your kids lead you. What was it like to trust them?

Dear God,

Build our trust, guide our trust, and send us out to trust Jesus today and everyday. Amen.
