CHAT ABOUT...

What are your favourite Easter memories? When you go to church, are at home, or walk around the neighbourhood, how do you know today is a special day? What's different?

FIND OUT ABOUT...

For families with younger children, read 'The Empty Tomb' in the Spark Bible on p. 482. For families with children grade 4 and up, read Luke 24:1-12 from the Good News Bible, I wonder... or Today's English Version.

- What were the women thinking when they first saw the stone rolled away?
- What would you have done if you were one of the women and saw the angel in the cave?
- What were the disciples thinking when the women told them Jesus was alive?

DO SOMETHING ABOUT...

Sing or listen to a favourite Easter song together. How can you remember what happened on this special day even after Easter is over?

Dear God,

Jesus, you are Lord. Jesus, you are our hope. Jesus, you have the victory over death. Jesus, we jump for joy because you are alive! Amen.
